** 2006 rates may change when the final 2006 Adjustment Factors become available in the 4th Qtr of 2007 and when waste taken outside of the District is reported to CIWMB.

*** Marina and Seaside 2002-6 rates reflect the deconstruction of portions of Ft. Ord within Marina and Seaside boundaries.

**** Monterey Co. In District rates are based on tonnage accepted and diverted at the District.

***** Pebble Beach tonnage was not tracked separately until 1996. 1996 and 1997 rates use an estimated 1990 base year method. 1998 through 2006 rates use a current year disposal to current year generation method.
