Dear Mr. Merry:

Congratulations! I am pleased to inform you that your grant proposal has been selected for funding by the Department of Conservation (Department) Beverage Container Recycling and Litter Reduction grant program. Your proposal was one of nine (9) awarded in this grant cycle.

The Department has \$1,500,000 available in grant funding, and 46 proposals were received requesting more than \$4,305,013. Your grant proposal was evaluated with others received and rated primarily on technical merit. Considering the impressive level of competition for these grants, it gives me great pleasure to inform you of your award.

A Department staff member will contact you shortly to discuss your grant agreement. Please note the grant agreement must be signed and received by the Department before beginning any billable work on your grant project.

Should you have any questions, please call the Division of Recycling, Community Outreach Branch, at (916) 322-0613. We look forward to working with you.

Sincerely,

A handwritten signature in cursive script that reads "Bridgett Luther".
