Dear Ms. Herring and Friends at the Monterey Regional Waste Management District,

On behalf of the Board of Directors and staff of the Food Bank for Monterey County, thank you once again for your generous \$390 donation.

The funds will be used to maintain our food assistance programs to low- and no-income families and individuals throughout Monterey County. Without the support of concerned community members like you our most vulnerable residents--children, seniors, and the chronically ill--are at a greater risk of going hungry in Monterey County.

Thank you for your continued assistance and commitment to the Food Bank for Monterey County. It is very much appreciated.

Happy Holidays,

Melissa Hartman
 Development Director

To satisfy IRS requirements, I confirm that you received no goods or services in exchange for your donation.
