

The Association of Environmental Professionals (AEP)
and the American Planning Association (APA)
present:

Alternative Energy in the Monterey Peninsula Region: Challenges and Opportunities

Please join us at this event jointly hosted by AEP and APA for the benefit of planners, environmentalists, and those concerned with the future of our energy supply. Our panel will include Alana Knaster, Deputy Director of the Resource Management Agency Monterey County, Michael McCormick, Climate Change Coordinator, PMC, Ben Foster, Vice President, Operations Optony Inc., and William Merry with the Monterey Regional Waste Management District.
