ONLY CONTAINERS WITH CALIFORNIA REDEMPTION VALUE ACCEPTED.

Consumers pay California Redemption Value (CRV) when they purchase certain beverages from a retailer, and receive CRV refunds when they redeem the containers at a recycling center. Most beverages packaged in aluminum, glass, plastic and bi-metal containers are eligible for CRV. Notable exceptions not included in the CRV program are milk, wine and distilled spirits. CRV is 5 cents for each beverage container less than 24 ounces and 10 cents for each container 24 ounces or greater.
