Job Description

DEFINITION
Under supervision, to perform a variety of unskilled manual laboring tasks in the maintenance, repair and upkeep of the Materials Recovery Facility and District disposal site; sort and separate materials for recycling on site, tip floor, or conveyor line; and to perform other job related work as required.

DISTINGUISHING CHARACTERISTICS:
This is an entry and working level class and is one level below the MRF Maintenance Assistant II. Incumbents are assigned to perform heavy physical labor to assist with building and stationary equipment maintenance, sorting, and recycling assignments.

ESSENTIAL FUNCTIONS
The following duties are typical of this classification and are intended only to describe the various types of work that may be performed, the level of technical complexity of the assignment(s), and are not intended to be an all-inclusive list of duties. The omission of a specific duty statement does not exclude it from the position if the work is consistent with the concept of the classification, or is similar or closely related to another duty statement to address business needs and changing business practices.

To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Performs a variety of unskilled manual tasks primarily involving physical strength, dexterity and coordination.
- Lifts and moves heavy objects, cleans, sweeps, paints, shovels dirt and debris.
- Assists Maintenance Technicians/Workers in basic facility and stationary equipment maintenance in accordance with standard operating procedures or as instructed.
- Maintains basic records of work performed.
- Clean stationary processing equipment.
- Follow instructions given by Supervisor and/or lead worker.
- Maintain cooperative working relations.
- Work safely and follow safety protocols.
- Adhere to an assigned work schedule and meet District attendance standards.
- All District positions require the employee to provide good customer service to both internal and external customers, maintain positive and effective working relationships with other District employees. Must show cooperation and respect to fellow employees and supervisors at all times.
- Perform other duties as assigned.

QUALIFICATIONS

Knowledge of:

- Safe work practices, procedures and Personal Protective Equipment (PPE).
