Job Description

Position: Sorter I  
Department: Materials Recovery Facility  
Position Status: Full Time/Non-exempt  
Bargaining Unit: LSC Unit  
Reports to: MRF Supervisor/Assistant MRF Manager  
Revised: July 2018

DEFINITION
Under supervision, performs a variety of unskilled manual tasks in the Materials Recovery Facility (MRF) and District disposal site. The Sorter I visually inspects, sorts, separates and cleans materials on the MRF tip floor, MRF sort lines or other areas as assigned and performs other manual labor work as assigned.

DISTINGUISHING CHARACTERISTICS:
This is an entry-level position and is one level below the Sorter II. Incumbents perform manual labor in support the District mission of Turning Waste into Resources by retrieving and diverting recyclable materials from the waste stream.

ESSENTIAL FUNCTIONS
The following duties are typical of this classification and are intended only to describe the various types of work that may be performed, the level of technical complexity of the assignment(s), and are not intended to be an all-inclusive list of duties. The omission of a specific duty statement does not exclude it from the position if the work is consistent with the concept of the classification, or is similar or closely related to another duty statement to address business needs and changing business practices.

To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Must be able to regularly work near or around high-powered magnets, as there are six such magnets inside the MRF building, which prohibits persons with pacemakers to be near or around them.  
- Visually monitor and manually pull material from the MRF sort lines as instructed.  
- Visually inspect and manually pull recyclable material, such as tires, mattresses, wood, glass metals, etc., from the MRF tip floor or other areas, sort by type and deliver to appropriate location.  
- Clean materials for recycling and reuse as needed.  
- Lifts and moves heavy objects from MRF tip floor and/or sort lines.  
- Assists in loading and unloading trucks.  
- May pick litter at landfill site, recycling center and areas surrounding District buildings.  
- All District positions require the employee to provide good customer service to both internal and external customers, maintain positive and effective working relationships with other District employees. Must show cooperation and respect to fellow employees and supervisors at all times.  
- Adhere to an assigned work schedule and meet District attendance standards.  
- Other duties as assigned.

QUALIFICATIONS

Knowledge of:
- Safe work practices, procedures and Personal Protective Equipment (PPE).  
- Knowledge of recyclable materials and grading levels.
Ability to:

- Constantly stand and walk.
- Work independently to accomplish assigned tasks with broad general instructions.
- Perform heavy physical labor requiring strength, dexterity, and agility.
- Understand and carry out oral directions.
- Read and write at the level required for successful job performance.
- Support the goals and objectives of the District.
- Apply sound judgment in a variety of circumstances with or without specific instructions.
- Ability to work safely without presenting a threat to self or others.

Training, Education and Experience

- Any previous work experience performing manual labor.
- High School Diploma desired.

Special Requirements:

- Pass a pre-employment physical examination including drug testing and pre-employment assessment of safe work capacity in relation to the essential job functions of the position, physical requirements of the job and other safety equipment when necessary.
- Wear and use proper and appropriate safety clothing and equipment.
- Work overtime, weekends and holidays, as assignments require.
- Work under such adverse conditions as inclement weather, heat, dust, chemicals and noise.
- Work in confined spaces and in high work areas.

TYPICAL WORKING CONDITIONS

The physical and mental demands described here are representative of those that must be met by employees to successfully perform the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Physical Demands - Constantly stand and walk for 3-4 hours at a time; ability to stoop, kneel crouch, bend/twist at waist to pick up or move materials or objects; physical ability to perform heavy physical labor; lift and move objects weighing up to 25 pounds without assistance and 50+ pounds with assistance; perform rapid and continuous grasping, pulling, regularly perform power grasping, pushing, pulling, normal manual dexterity and eye-hand coordination; corrected hearing and vision to normal range; verbal communication.

Mental Demands - While performing the duties of this class, employees are regularly required to: work well under pressure; communicate effectively in verbal form; learn and apply new information or skills; complete work-related forms, documents, perform detailed work on multiple, concurrent tasks with constant interruptions; work under deadlines; capable of establishing priorities among the essential functions of the job and coordinating these priorities with others; interact with all levels of District staff and the public.

Work Environment - Normally work is performed in both indoor and outdoor environments; occasionally will be exposed to varying temperatures; regular exposure to dirt, dust, fumes, noise, garbage, foul odors; often works around moving vehicles and equipment; constant contact with staff and the public.
ACKNOWLEDGEMENT
