SUBJECT: Investment Policy and Guidelines for Fiscal Year 2020/21

RECOMMENDATION: That the Board adopt Resolution 2020-1A establishing the Authority Investment Policy and Guidelines for Fiscal Year 2020/21 and direct staff to continue to establish an annual investment policy.

BACKGROUND

California Government Code Section 53646(a)(2) states that the treasurer or chief fiscal officer of any local agency may annually render to his/her legislative body and any oversight committee an investment policy, which the legislative body shall consider at a public meeting.

It is staff’s opinion that an investment policy should always be in place. While no longer required by statute, it is in the best interest of the Authority to present and discuss the policy at a public meeting, and then have the policy approved by a vote of the Board. A public vote signifies that the Authority shares fiduciary responsibility with the chief fiscal officer, increases the authority and legitimacy of the investment policy, and provides transparency and disclosure.

Local agencies may invest only in those instruments specified in State law. Government Code Sections 16429.1, 53601, 53601.6, 53601.7, 53601.8, 53635, 53635.2, 53638, and 53684 include a number of requirements on how and where public money may be invested. The Authority Policy and Guidelines comply with these limitations.

For Fiscal Year 2020/21, staff is recommending updating Section II. Scope as follows:

Current policy wording: It is intended that this policy cover all funds (except bond proceeds, retirement and checking account funds) and investment activities under the direction of the Authority.

New policy wording: It is intended that this policy cover all funds (except checking account funds) and investment activities under the direction of the Authority.

The purpose of this change is to reflect the fact that 1) the Authority holds no retirement funds; and, 2) Authority bond proceeds are not subject to separate investment guidelines and therefore should be covered by these guidelines.
